
Sheriff's Cadets Program

1017.1 PURPOSE AND SCOPE

Cadets work under direct supervision and perform a variety of routine and progressively advanced tasks in an apprenticeship program in preparation for a career in law enforcement.

The Cadet Program will provide young adults with a comprehensive, hand-on experience to include training and competition on practical or real-world scenarios.

1017.2 DEMOGRAPHIC REQUIREMENTS

The application process requires students who are interested in the Cadet Program to be enrolled in a High School within the boundaries of Monroe County. If a student is home schooled within Monroe County, they can be no younger than 14 years of age and no older than 20 years of age. Once a Cadet turns 21 years of age, their position as an acting member will be retired from active service. They may have the opportunity to be hired as a Monroe County Sheriff's Office Reserve Officer.

1017.3 EDUCATION REQUIREMENTS

Cadets are required to maintain a minimum grade point average of 2.0 ("C" grade) for all courses taken. Cadets should attempt to complete college courses (if offered) that may be used toward a college degree.

1017.4 DISQUALIFICATIONS

Applicants cannot become a Cadet if they have any of the following:

- (a) Prior arrest record
- (b) Serious traffic violation(s)
- (c) Poor physical condition that would prevent applicant from performing similar job duties that a Law Enforcement Officer would perform, based on a performance evaluation

1017.4.1 TERMINATION

Bringing unauthorized weapons to a training or misuse of issued equipment can result in immediate termination from the program.

1017.5 PROGRAM COORDINATOR

The Sheriff will appoint a member of the community to serve as the program coordinator. The program coordinator will be responsible for the oversight of the educational and job performance of each cadet and to include completion of individual assignments. The program coordinator will also monitor the training provided for all cadets and review all decisions affecting job assignments, school attendance and performance evaluations.

1017.5.1 PROGRAM ADVISERS

The Sheriff will select individual deputies to serve as advisers for the Cadet and Explorer Program. These deputies will serve as mentors for each cadet. Cadets will bring special requests, concerns and suggestions to their program adviser for advice or direction before contacting the program coordinator. A lead adviser will be designated by the Sheriff to serve as the Program Coordinators Liaison to develop and lead scheduled meetings and training sessions involving the cadets. Multiple cadets may be assigned to each program adviser. Program advisers are not intended to circumvent the established chain of command.

1017.6 ORIENTATION AND TRAINING

Newly appointed cadets will receive an orientation of the organization and facilities before reporting to their first assignment. Training sessions will be scheduled as needed to train cadets for as many assignments as possible. In addition to job-specific training, information will be offered to prepare cadets to compete successfully in the sheriff's deputy selection process, as well as the academy training. All training will focus on improving job performance, as well as preparation to become sheriff's deputies. These meetings will also offer an opportunity to receive continuous feedback regarding progress of the program.

1017.6.1 MEETING EXPECTATIONS
